COMMUNICATION

Sir:

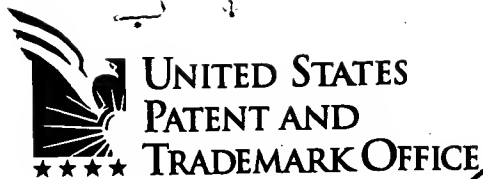

When the subject reissue application was filed on November 30, 2001, applicant requested preparation of a certified Abstract of Title Report for the original patent for placement in the official file of the reissue application. At that time the original assignment submitted for recordation was lost by the Patent and Trademark Office. The filings attached to the Order for a Title Report Under 37 CFR §1.171 indicated that a search for the originally submitted assignment was requested, and further that if the original assignment was not found, recordation of the submitted copy of the assignment was requested.

Such assignment has now been duly recorded in the Patent and Trademark Office on December 7, 1998, at reel 012227, frame 0692. A copy of the Notice of Recordation is attached.

Respectfully Submitted,
